Present Your Work
at an International
Conference!

The Call for
Abstracts Closes
September 19, 2019

Learn more and submit at www.isprm2020.com

ISPRM 2020 will help you foster lively discussions, new ideas and meaningful relationships with over 3,000 rehabilitation professionals from over 50 countries.

Don't miss your chance to build your CV by presenting at an international conference. Present your research studies, case reports and/or scientific papers to the best and brightest in physiatry and rehabilitation worldwide, opening endless opportunities for collaboration, mentorship and career growth.

You will also get published in two reputable medical journals — *the American Journal of Physical Medicine & Rehabilitation* and the *Journal of the International Society of Physical & Rehabilitation Medicine*.

YOUR SUBMISSION MUST BE RECEIVED BY THURSDAY, SEPTEMBER 19, 2019 AT 11:59PM (ET).

Submit Now at www.isprm2020.com

What others are saying:

“The AAP meeting provides a forum to experience cutting-edge science, innovations in physiatry, as well as mentorship and networking in a congenial gathering. I look forward to it every year!”

“This conference occurs in a friendly environment and you will be amazed at how easy it is to present your work, network, and develop new relationships. Presenting at the conference is an invaluable experience to stay relevant in such a rapidly evolving field.”
